LOCATION FEATURES

- Located within the Piedmont Triad Region, Davie County features a premiere location with Central North Carolina within close proximity of four interstate highways and access to approximately half the US population within a day's drive.
- The Triad Metro and Charlotte Metro comprise the two largest industrial markets in North Carolina. Davie Industrial Center is greatly positioned in Mocksville, NC, on the western side of the Triad market and northern portion of the Charlotte Market, only 0.6 miles from I-40 and 18 miles away from I-77, providing the site with easy access and exposure to both markets.
